

Your business

Build your own real estate business with the backing and support of the Agency HQ brand and unique operational structure.

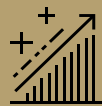

Most sales professionals dream of some day creating their own real estate business. But, for many, it remains just that – a dream. Start-up expenses are high, putting systems and processes in place is difficult, recruiting the best support team is time-consuming and expensive – and that’s just the start of it.

With Agency HQ, you can make tomorrow’s dream a reality today.

Personalised mentoring

You’ll have one-on-one access to Agency HQ’s leadership team to set your financial goals, motivate and track your sales performance and drive your personal wealth creation.

Superior support

Our team of fully-trained HQ Client Success Champions will support you at every touchpoint of the sales process, freeing up your valuable time to connect with the marketplace, build relationships and grow your business.

State-of-the-art workspaces

When you’re not out-and-about in the marketplace, you’ll have the flexibility of working and meeting clients at Agency HQ’s modern and secure co-working office spaces.

Straightforward fees

For a low monthly administration fee, you can drive your business forward and experience everything Agency HQ has to offer to maximise your wealth and rewards.

Why Agency HQ?

Agency HQ provides you with the most robust framework and support to easily set up your real estate business and quickly start reaping the rewards.

Lucrative commissions

Agency HQ’s unique commission structure recognises your hard work and significant contribution to the sales process by rewarding you more richly for your efforts.

Intelligent technology

Access to Agency HQ’s AI-enabled platform and cutting-edge CRM, digital systems and apps ensures you have the latest data, analytics and information at your fingertips, transforming your business and saving you time.
